www.hitchin-nomads.net The news letter of the Hitchin Nomads Cycling Club

I know you've been waiting with baited breath, but the waiting is over. The Interclub 10 results are in. We also have more evening 10 results. I'm out of action at the moment due to nose surgery, no jokes please, oh alright if you insist.
Scott.

The Nose Knows.

After years of suffering from problems breathing through my nose, I thought I would get the problem sorted out once and for all. So, after seeing a specialist at the end of last year I've been waiting for the operation for about six months. Fully psyched-up for the Whitewebbs road race this Sunday (22nd May), I get a cancellation; the op's on Wed. the 18th. I'd only made it on to the reserves list anyway (don't leave your entries to the last minute). Now I'm sitting around waiting for the swelling to go down, and hoping for big improvements in my cycling.

Cycling And Food!!!

Does it get any better?

June 18th is the date for your diaries. We are organising a 12 mile TT based on a circuit around Guilden Morden starting at 15:00 and afterwards there will be a BBQ at the Village Hall.

This is a come and try it event, which means that people not members of CTT affiliated clubs can ride it.

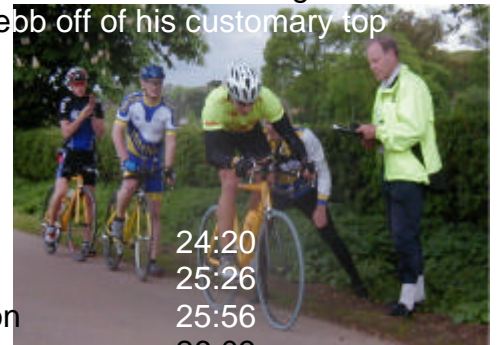

The event is a dry run for a similar event to be run for our 75th Anniversary, next year. So, lets have the memberships full

support. If anybody can help out in any capacity, catering, marshals, etc. please let a member of the committee know. Oh, and we'll need some people to ride the event too.

Results.

Upcoming Event.

It's just over a month (26/06/05), until the Interclub 25, run by Hitchin Nomads. Not only do we need to field a strong riding team, we need to provide a strong team of marshals, timekeepers, pushers-off, and tea-persons. As it is down to me to sort it out, can anybody who is not out of the country please let me know whether you can ride, or assist in any way. Don't leave it to the last minute to let me know as this will result in me making you go of first. The start sheet needs to be circulated by the Tuesday before the event, that's 21st June.

Thanks Scott.

The Interclub 10.

Well done to everybody who took part. The results are in. After rechecking them, and amending the transposition of Icknield RC and Hitchin Nomads at the top of page 3, we have won the event.

It's not a massive advantage to carry over into the following events, but it is a solid foundation on which to build Interclub domination this season.

We can consolidate this with a strong performance in the 25TT. We will have home advantage, and on our technical circuit this is quite an advantage.

The full results are on the next two pages.
